Our local annual fundraising event is on again for School Chaplaincy and you are invited to attend the evening. We are looking for people willing to act as table hosts to invite their friends, workmates & family to make a table of eight guests including the host. Tables need not be restricted to only eight as the host can invite enough guests to be sat at two or three tables. If a host cannot make a party of eight do not let that stop you from coming to support the evening! All guests & visitors will be gladly accepted & seated!
The reason for the table host is just to help with our numbers and for catering purposes. When you as a host have an idea of the number of your party please contact one of the RSVP numbers above. For any information, assistance and for invitations for your guests please call one of the RSVP numbers above.
In the past, the evening programme has included: plated desserts to die for, musical items, entertainment, table activities, student items, testimonies & information about School Chaplaincy (& coffee etc).
We trust that you will be able to once again show your much needed support for School Chaplaincy.

Many Thanks
Chaplain Phil Bryce

### Loud Shirt Day

Friday 18th October is Loud Shirt Day and we at Lockrose are going to be a part of the fun!

Loud Shirt Day is a chance to get dressed up for a good cause - raising funds to help deaf children. 99 per cent of deaf children can learn to hear and speak with the right help.

So whether you fancy stripes, florals, polka dots or paisley, as long as it got colour and pizzazz, it will be perfect for Loud Shirt Day.

Step into your most colourful outfit on Friday 18th October and know that while you're having fun, you're raising funds to help deaf children speak.

We want you to remember that while it is fun to get loud we also have to remain sun safe so keep the sleeves and collars please.

Talk Like A Pirate Day!

At the end of last term we had our Talk Like A Pirate Day and our Planetarium trip. What a fantastic 2 days. The children’s behaviour was excellent.

It was fantastic to see the effort put into children’s pirate costumes. We were able to raise $55 for the day. Thank you to everyone who made a contribution. A huge thank you to Candice Bina for coming in (in costume) and helping with our shared lunch.

We would also like to thank Tony Walker for joining us on the Planetarium trip. Your help was greatly appreciated.

It’s always nice to see parents so involved and willing to help out.

Library

Just a quick reminder to all parents and students that Library books are borrowed out for 1 week. If your child has not finished with the book please bring it back to the school and it can be reborrowed. Letters are being sent home with this newsletter in regards to overdue books.

Students are expected to bring a library bag to school to be able to borrow out books. This helps to protect the books so that they will last longer.

We understand that books get damaged from time to time and we understand that its tempting to try and fix damages yourself. However its best to leave it to the expert. Mrs James has the resources to repair books. Mark damaged pages with a slip of paper and return it to Mrs James for repairs.
