P&C Fundraiser Notice:

Please bring small change to the Year 5/6 Mini Maker's Market P&C Fundraiser.

All products are no more than \$5!

Small notes and \$1, \$2, \$0.50c coins accepted only!

No \$20 notes or other coins as students have a small float they are working with on the day.

Please check flyers for specific pricing on items.

Flyers are on our Facebook Page and have been distributed to all families.

This will be a great opportunity for the children to buy and sell real items with real money. If your child is participating, please send money in secured, labelled bags for students to use on the day.

I encourage all parents to come into the school and support this fun, student- created event!
